EXPERIENCE

MAY-JULY 2025

Accresense Technology Pvt Ltd

Website Development Intern

Assisted in designing, developing, and maintaining responsive websites, ensuring optimal performance and user experience. Collaborated with team members to implement front-end and back-end functionalities, debug issues, and enhance site features. Gained hands-on experience with HTML, CSS, and CMS platforms.

EDUCATION

2021-2024

Panjab University

Bachelor of Computer Application

August 2025

Responsive Web Design Specialization by SCRIMBA

PROJECTS

E-Medical Services

Developed an Emergency Medical Help & Services website providing urgent doctor consultations, expert advice, and medication delivery. Built using HTML, CSS, JavaScript, PHP, and MySQL with responsive design and interactive features. Implemented secure database management, optimized performance, and utilized Git for version control, ensuring smooth collaboration and efficient project delivery.

E-Commerce Website

Designed and developed an e-commerce store using Shopify by understanding the client's requirements and translating them into a functional online platform. Managed the complete product inventory and optimized the user interface for a smooth browsing experience. Enhanced user experience through intuitive navigation, responsive design, and streamlined purchase processes.
